## Shared Education and Integrated Education

The Department of Education has a duty to promote both Shared Education and Integrated Education in N Ireland. A new policy document in relation to this is soon to be published.

They are keen to hear the opinions of parents in relation to this and have been gathering information in different venues around N Ireland. On the night of the Christmas Fair the Integrated Education Fund will be in the school to speak to parents and find out their thoughts on Integrated Education.

## OPEN NIGHT

Thank you to everyone who came along to our Open Night last week. We had a great turn out of possible prospective parents for September 2018 and look forward to seeing the Carrickfergus Central PS family grow.

We received lots of lovely comments about the school and our children.
