Road Safety Quiz

Good luck to the P6/7 team from Central, who are taking part in a Road Safety Quiz at the Town Hall on Wednesday morning. They will be competing against all the primary schools in the Carrickfergus area.

Our Eco-Committee are working hard towards achieving the Green Flag in the Eco-Schools Programme. Our school's major topic this year is 'Healthy Living.' We are looking at how we can keep our bodies healthy through eating nutritious foods and getting daily exercise. Please give your child a healthy break each day and encourage your child to eat healthy at home. The Eco-Committee will be doing spot checks to see which class has the healthiest breaks! Each class will also continue to do the Daily Mile to get some fresh air and exercise during the day. Our work with Sustrans this year will also help us with our Eco-Schools Programme.

Our minor topics this year are 'Waste' and 'Biodiversity.' We will be ensuring that we cut down on paper wastage and recycle as much as possible. We also want to encourage more wildlife and insects into our garden, so we will be making bird boxes and planting flowers to encourage these creatures to enter our school grounds. We also hope to make some bird feeders and window boxes out of recycled bottles too. If any parents can help us to make any items for our garden please speak to Mrs Lowry. Our Eco-Council would love your help!
