World Book Day

As part of our aim to maintain and engage pupil interest in reading, our school will be taking part in **World Book Day** on **Thursday 1st March**.

To celebrate this special day your child can come to school dressed as a book character from their favourite book. During this day your child will be participating in exciting activities, sharing their own favourite book from home and sharing teacher's favourite books.

We do not want this to be an added expense for you so we are encouraging families to think of homemade costume ideas.

Parents as Partners

The next meeting of the ASD 'Parents as Partners' group will take place on **Wednesday 21st February at 7.00pm**. This meeting will be an informal one without a speaker so that we can discuss what services the group would like to avail of next. Everyone is more than welcome to come along.

Switch off week

In addition to World Book Day we are also planning to hold a **Switch Off** week beginning on **Monday 26th February**. This idea encourages pupils, teachers and parents to 'switch off' from using technology for 5 days to highlight just how much we all rely on these devices on a daily basis. This means no iPads, no interactive whiteboards and no computers for us in school. It would also be an ideal opportunity for families to spend some quality time together. **Are you up for the challenge?**
